**Subaru/Gary Fisher Elite Cycling Team**

On March 17, 2010 our community lost a fellow cyclist, a teammate, a friend, a father, a husband, a visionary, a motivator....we lost ADAM. This year this cycling event is being done to honor Adam's memory. Adam helped organize this ride last year and it was his hope that this year the ride would be the "Ride" of all rides. He wanted it to be a huge success. He believed in the mission of Habitat for Humanity. Adam was a humanitarian if there ever was one. Please help make Adam's wish come to fruition. Register to ride or make you donation today!
